

Area Partnership FYI!

Planning Ahead with Haddington & Lammermuir Area Partnership

Haddington and Lammermuir Area Partnership are continuing to develop an Area Plan and want to hear from the people who live and work in the area to help shape this plan. The area plan will detail all of the actions that the community agree will make a difference to their lives. See [here](#) for a copy of the current plan. To find out what YOU want in the local area the Area Partnership are carrying out a range of consultation activities over the coming weeks. You can get involved in all of the consultations or just the ones that are most relevant to you. The consultations are: A "4 wishes" exercise where you (and any groups you may represent) are being asked to identify the 4 things that would make a difference to your own and the wider communities' lives. The aim of this exercise is draw out the actions that can be implemented over the longer term of the Area Plan such as how we can make the best use of public facilities and social spaces, and supporting groups and organisations to provide local services. The "wishes" you are being asked for are:

If you had 4 wishes which would improve the Haddington and Lammermuir Area, what would they be?

- 1 wish for yourself
- 1 wish for the community
- 1 wish for your group or organisation
- 1 wish for our community facilities

COMPLETE THE EXERCISE This consultation will run until the **7th November 2016**.

The Haddington & Lammermuir Area Partnership Annual Public Meeting

At this event all of the information, ideas and suggestions gathered from the 4 wishes exercise, the mapping workshop and the rural transport survey will be presented and you will be asked to start prioritising them in to the actions that you think are the most important to be delivered over the short, medium and longer term.

This event is taking place on **Tuesday 22nd November between 7.15pm and 9pm in Haddington Town House.**

Of course, for any of this to be truly reflective of the community's desires, we need you (and any groups you represent) to:

- Take part in 4 wishes exercise
- Complete the Community Transport Survey (if it is relevant)
- Come along to the mapping workshop and
- Attend the Annual Public meeting

Your support with this is greatly appreciated by the Haddington and Lammermuir Area Partnership.
