Beyond Boundaries East Lothian All-ability Cycling Events

BBEL are hosting some all-ability cycling events on **9th, 16th, 23rd and 30th October** as part of the Big Bike Revival initiative.

More information can be found here:

<http://www.bigbikerevival.org.uk/find-an-event/?postcode=Haddington>

BBEL also urgently need volunteers/helpers for each event to set up, register names etc and cycling specific duties if folk are cyclists or have a cycle skill such as ride leader, cycle mechanic etc. If you can help get in touch by emailing bbel1@btinternet.com or call Steve Nelson on 07805 126158 or just turn up on the day and we will find something for you to do.

Planning Ahead with Haddington & Lammermuir Area Partnership

Haddington and Lammermuir Area Partnership are continuing to develop an Area Plan and want to hear from the people who live and work in the area to help shape this plan. The area plan will detail all of the actions that the community agree will make a difference to their lives. See [here](#) for a copy of the current plan. To find out what YOU want in the local area the Area Partnership are carrying out a range of consultation activities over the coming weeks. You can get involved in all of the consultations or just the ones that are most relevant to you. The consultations are:

A “4 wishes” exercise where you (and any groups you may represent) are being asked to identify the 4 things that would make a difference to your own and the wider communities’ lives. The aim of this exercise is draw out the actions that can be implemented over the longer term of the Area Plan such as how we can make the best use of public facilities and social spaces, and supporting groups and organisations to provide local services. The “wishes” you are being asked for are:

If you had 4 wishes which would improve the Haddington and Lammermuir Area, what would they be?

- 1 wish for yourself
- 1 wish for the community
- 1 wish for your group or organisation
- 1 wish for our community facilities

[COMPLETE THE EXERCISE](#) This consultation will run until the 30th October 2016.

A “Mapping workshop” at this event there will be big maps of Haddington town and the outlying villages (Gifford, Humbie, East and West Saltoun and Bolton, Garvald and Morham) so that you can physically identify the areas you would like to improve and chat with others about your ideas. The aim of this workshop is to identify actions that can be carried out in the shorter term - i.e. things that can be changed fairly quickly in your community like installing road safety measures, street lighting, and improving green spaces.

This event is taking place on **Tuesday 25th October** between 7pm and 9pm in Haddington Town House.

Haddington & Lammermuir Area

Community Transport Survey. Haddington and Lammermuir Area Partnership would like to try and find out what the needs and demands are for a public transport service and would like you to complete a short survey to give them your views. [COMPLETE THE SURVEY.](#) This consultation will run until the 30th October 2016.

The Haddington & Lammermuir Area Partnership Annual Public Meeting

At this event all of the information, ideas and suggestions gathered from the 4 wishes exercise, the mapping workshop and the rural transport survey will be presented and you will be asked to start prioritising them in to the actions that you think are the most important to be delivered over the short, medium and longer term.

This event is taking place on **Tuesday 22nd November** between 7.15pm and 9pm in Haddington Town House.

Of course, for any of this to be truly reflective of the community’s desires, we need you (and any groups you represent) to:

- Take part in 4 wishes exercise
- Complete the Community Transport Survey (if it is relevant)
- Come along to the mapping workshop and
- Attend the Annual Public meeting

Your support with this is greatly appreciated by the Haddington and Lammermuir Area Partnership.

Thanks in advance and if you have any questions or queries in relation to this email you can get in touch using any of the below.

5Rights Online Survey for Young People

Scotland's 5Rights Youth Commission has recently launched an online survey about young people's digital world. The survey's aim is to capture the experiences, thoughts, and evidence about the digital world from the young people of Scotland. You can find their survey here:

<http://www.surveygizmo.eu/s3/90013612/5Rights-Survey>

We would be much grateful if you could please help the Youth Commission reach out to as many young people as possible, by sharing this survey with your network. The survey responses will form a vital part of the Youth Commission's investigation on how Scotland can support young people's rights in the digital world.

The survey is open until Feb 2017, covering the full duration of the Youth Commission to allow young people to continue feeding into their investigation. We welcome all participants under the age of 25 who live in Scotland to take part. It should take roughly 7 minutes to complete and responses are completely anonymous.

5Rights Youth Commission

The 5Rights Youth Commission is a diverse group of 18 young people (aged 14-21), from all across Scotland, who are currently investigating and developing recommendations for the Scottish Government on how Scotland can recognise and support young people's rights online. Their work is based on the 5Rights framework, which frames all the articles in the UNCRC in the digital context as five simple rights. You can find out more about the 5Rights framework here:

<http://5rightsframework.com/>.

Just a Reminder!

Mental Health Week

East Lothian Youth council & Scottish Youth Parliament members and the group are promoting a Mental health week "Speak your mind" from the 10th October.

It is also world mental health day on the 10th <https://www.mentalhealth.org.uk/campaigns/world-mental-health-day>

Some of the ideas..Resources for schools and youth clubs <http://www.time-to-change.org.uk/resources-youth-professionals/free-resources>
