An Introduction to Participatory Budgeting

Wednesday 15 March 18.00 – 20.30
Musselburgh Community Learning Centre
Haddington Road, Musselburgh

Aimed at members of Area Partnerships, Area Managers, CLDs and Policy Staff

This session offers an introduction to Participatory Budgeting which is a tool for engaging with communities and empowering them. Participatory budgeting is a way for local people to have a direct say in how and where public funds can be used to address local needs. At this session you will hear more about what participatory budgeting is and how it is used in democratic decision making. You will hear about participatory budgeting and its history, participatory grants (with the 10 steps process) that are currently available and how to plan a PB activity. You will also hear from local organisations that have used participatory budgeting and the positive outcomes it has had in their communities. Delivered by Jez Hall from PB Partners: www.pbpartners.org.uk

To book a place please email ASAP

Do you think you know what Tesco Bags of Help funds?

Read on as the Bags of Help team have been listening to applicants, customers and Tesco colleague feedback and we've made some immediate improvements:

- Apply anytime for projects **that bring benefits to the community;**
- Projects can be **outdoor or indoor improvements, activities and equipment purchases;**
- Apply for **capital and revenue funding** between £1000 and £4000;
- Simpler online application process;
- Community groups, schools, charities, **local authorities** and not for profits can all apply.

To ensure that the programme is local the number of projects funded every two months has been increased. We still fund projects that improve or encourage the use of outdoor spaces such as allotments and community gardens. But now grants can also fund buying items such as sports kits, camping equipment, spades, litter pickers or specialised medical equipment and improvements to community buildings. Following a public vote in Tesco stores every two months, three projects in each of the local Tesco store areas will receive a grant, with first place receiving up to £4000, second place up to £2000 and third place £1000.

Beach Wheelchairs - Disabled Access Day

You are invited to come down to the Beach Hut, in North Berwick Harbour on Sunday 12 March between 2-4pm for Disabled Access Day. We will have our own beach wheelchairs for trial and use and a couple of guest wheelchairs from Adventure Mobility and Trossachs Mobility. We will also be joined by Murphy and Woody who are two trained Therapet dogs. They'll be available for pats and walks on the beach. We will also have teas and coffees and home-baking being served from our Beach Hut.

Disabled Access day is all about 'You and Somewhere New' and invites disabled people, their friends and families to try something different and visit places they've never been to before.
