ACTIONS UPDATE AND PROGRESS REPORT.

Priority	Actions to be Undertaken	Person responsible.
Beveridge Row, Belhaven	Complaints about speed and volume of vehicles. Speed checks. Link in with council, Cala and Brodie Road developers as many vehicles tradesmen from sites.	Dunbar Community Policing Team
Tynninghame speeding	Speed checks in village after introduction of 30mph limit	Dunbar Community Policing Team
Dog fouling in East Linton	Reported increase in fouling on park.	Dunbar Community Warden

Beveridge Row, Belhaven:

Area assessed, volume of traffic undoubtedly increased, road between railway bridge and Eweford in very poor condition. Inappropriate speed is possible however speeding of over 30mph realistically not possible due to road layout, parked vehicles and road condition. Have not spoken with developers, their staff are entitled to use the road and as speeding unlikely no reason to speak with them.

Tynninghame speeding:

Attended with speed gun 1800-2030 on 13th June. Concentrated on A198 due to complaints of speeding motorcyclists on Wednesday evenings. Due to poor weather no motorcyclists seen, eight car drivers stopped and warned regarding their speed.

Dog fouling in East Linton:

Update from Jimmy Wilson.

Current Policing Issues:

Multiple thefts and attempt thefts in the area, attempt theft of a caravan, theft of a van, theft of caravan, fuel thefts from vehicles and multiple break ins to vans with tools stolen. CID following positive line of enquiry.

Youth issues much better in recent weeks after officers brought in to the town to deal specifically with youth issues in Dunbar and also at Bullet Hill.
