ACTIONS UPDATE AND PROGRESS REPORT.

Priority	Actions to be Undertaken	Person responsible.
Speeding	Conduct speed checks at two locations where Jim and Jemima have been located.	Dunbar Community Officers
A1 Cement Works Junction	Liase with Roads Policing colleagues and Viridor representatives regarding the safety of the junction for lorries.	Dunbar Community Officers
Dog Fouling	A week of action targeting known hotspots for fouling	Dunbar Community Warden

Speeding

Queens Road and Drylaw Terrace both visited with the speed gun.

Unfortunately no corroboration so no tickets issued but results were:

Drylaw Terrace; 40 cars checked, 22 within limit, 12 doing 20-25, 6 doing 25-33 so stopped and warned.

Queens Road; 40 cars checked, 20 within limit, 13 doing 20-25, 7 doing 25-36 so stopped and warned.

A1 Cement Works Junction

Discussed with roads policing colleagues and Viridor representative and am happy that Viridor are doing everything that can be expected of them in relation to actions of the drivers at the junction. Every new driver receives an induction when the computer shows it's their first time visiting that site and the junction is suitably covered in a power point presentation.

Dog Fouling

New Dunbar Against Litter bins at West Barns, situation markedly improved.
